PLEATED & CELLULAR BLINDS

Manual Free-hanging Pleated Blind

Product reference: Manual Free-hanging Pleated Blind

A cord-operated free-hanging pleated or cellular blind with white, anthracite or black hardware and compatible fabric options.

- Compact folding fabric appearance
- Left- or right-side manual control
- Coordinated hardware colours

Key specifications

Operation	Pull cord, left or right as specified
Published width	240-2400 mm
Hardware colours	White, anthracite or black
Fabric stack guide	Approximately 25 mm per 1000 mm fabric drop; varies by material

Options to discuss

- Compatible single-pleat or cellular fabric
- Top- or face-fix brackets
- Capital side profiles where appropriate

Before you order

- The maximum drop is confirmed for the selected cloth and system.
- The cord needs appropriate safety provision at installation.
