VERTICAL BLINDS

# Classic Wand Vertical Blind

Product reference: Classic Wand Vertical Blind

A Classic vertical blind with wand operation, wheeled runners and a choice of compatible louvre widths, fabrics and lower-edge finishes.

- No separate hanging control cord and chain
- Wheeled runner arrangement
- Choice of four wand lengths

## Key specifications

| | |
|---|---|
| **Operation** | Wand control |
| **Wand lengths** | 450, 750, 1050 or 1350 mm |
| **Louvre widths** | 89 mm or 127 mm |
| **Published Classic system width** | 300-4550 mm |
| **Published Classic system drop** | 300-4100 mm |

## Options to discuss

- Compatible fabric and louvre width
- Suitable chainless or sealed-weight lower finish
- Confirmed draw direction and bracket arrangement

## Before you order

- The wand and moving louvres must remain comfortably reachable.
- Bottom chains, if selected, are a separate feature from the operating wand.
