ROMAN BLIND HEADRAILS

Elite Roman Headrail

Product reference: Elite Roman Headrail

A Roman headrail with an Elite breakaway chain mechanism, offered with 1:1 or 1:4 gearing and optional making-up kit components.

- Breakaway operating-chain arrangement
- Two gear-ratio options
- Headrail or making-up kit supply

Key specifications

Operation	Elite breakaway chain mechanism
Gear ratios	1:1 or 1:4
Assembled headrail	Rail, chain and swivel brackets
Complete kit additions	Five fibreglass rods, white aluminium bottom bar and clear sew-on safety cord adjusters

Options to discuss

- Control-chain finish
- Compatible bracket and fascia options
- Appropriate rear-cord safety components

Before you order

- The breakaway chain mechanism does not remove rear-cord safety requirements.
- Use the relevant instructions for reinstating a released chain.
