DQ COLLECTION

Specification	Detail
Fabric suitability for moist conditions	No
Listed vertical formats	89 mm louvres; colour availability varies by format

Options to discuss

• Available material formats: roller fabrics, vertical fabrics. Confirm the colour and reference for each format.

• Choose a colour/reference from the material options below.

• Request the material as part of a complete blind or discuss a compatible replacement/supply-only requirement.

Before you order

• Fabric dimensions and performance must be checked with the selected blind system; material width is not the maximum finished-blind width.

Colour choices

Anthracite, Beige, Light Grey, Off White, Sand, White, Anthracite 89, Beige 89, Light Grey 89, Off White 89, Sand 89, White 89

Colour images are a guide. Ask about physical samples and confirm the selected reference, width and format before ordering.
