DQ COLLECTION

Specification	Detail
OEKO-TEX STANDARD 100 listing	Listed; certificate details to be confirmed if required for the project
Fabric suitability for moist conditions	No

Options to discuss

• Photographs are not available for every listed option. Ask about a physical sample when you enquire.

• Choose a colour/reference from the material options below.

• Request the material as part of a complete blind or discuss a compatible replacement/supply-only requirement.

Before you order

• Fabric dimensions and performance must be checked with the selected blind system; material width is not the maximum finished-blind width.

• Any fire classification relates to the specified material and test conditions. Confirm the current evidence required for the project.

Colour choices

Washwhite, White, Black, Brown, Grey, Pebble

Colour images are a guide. Ask about physical samples and confirm the selected reference, width and format before ordering.
