DQ COLLECTION

Specification	Detail
Fabric suitability for moist conditions	Yes

Options to discuss

• Choose a colour/reference from the material options below.

• Request the material as part of a complete blind or discuss a compatible replacement/supply-only requirement.

Before you order

• Fabric dimensions and performance must be checked with the selected blind system; material width is not the maximum finished-blind width.

• Any fire classification relates to the specified material and test conditions. Confirm the current evidence required for the project.

Colour choices

Alloy, Cool Grey, Flint Grey, Lava Grey, Pearl, Pelican, Shadow, Silver Mink, Soft Taupe, White

Colour images are a guide. Ask about physical samples and confirm the selected reference, width and format before ordering.
