HAND-DRAWN CURTAIN TRACKS

ACT43 Hand-drawn Curtain Track

Product reference: ACT43 Hand-drawn Curtain Track

A discreet hand-drawn curtain track with a pre-punched profile and compatible ceiling or wall fixing options for medium-weight curtains.

- Discreet profile
- Direct or bracketed fixing options
- Standard and wave-heading configurations

Key specifications

Operation	Hand-drawn
Published length	500-10000 mm
Published curtain load	Up to 8 kg per metre, subject to the complete fixing specification
Tracks over 5000 mm	Two sections with a track connector
Fixing options	Direct through pre-punched profile or compatible bracket arrangement

Options to discuss

- Standard or 60/80 mm wave gliders
- Compatible ceiling clips and L brackets
- White or clear control rods in 750, 1000 or 1250 mm lengths
- Optional wave hanger

Before you order

- Direct fixing requires a suitable supporting structure.
- The curtain and runner arrangement must match the selected heading.
