Key specifications

Material / light effect	Day and night with blackout solid bands

Options to discuss

- Choose a colour/reference from the material options below.
- Request the material as part of a complete blind or discuss a compatible replacement/supply-only requirement.

Before you order

- Fabric dimensions and performance must be checked with the selected blind system; material width is not the maximum finished-blind width.
- Opaque fabric does not seal light gaps around the fitted blind. Confirm the required level of room darkening before order.
- This range is currently listed while stocks last. Confirm the required colour and quantity before specifying or ordering.

Colour choices

Anthracite, Beige, Light Grey, Silver

Colour images are a guide. Ask about physical samples and confirm the selected reference, width and format before ordering.
