DAY & NIGHT BLINDS

Manual Day & Night Blind

Product reference: Manual Day & Night Blind

A chain-operated striped-fabric blind with Capital, Senses or Louvolite fascia options. Compare dimensions, privacy and finishes with AdamsBlinds.

- Adjustable alignment of sheer and opaque bands
- Choice of three head-finishing systems
- Manual operation without power

Key specifications

Capital Fascia configuration	Width 300-2400 mm; maximum drop 2700 mm
Senses fascia configuration	Width 300-2100 mm; maximum drop 2100 mm
Louvolite cassette configuration	Width 300-2100 mm; maximum drop 2100 mm
Operation	Chain control with suitable safety device

Options to discuss

- Capital Collection day-and-night fabric ranges
- Alternative chain finishes
- Coordinated bottom-bar and end-cap colours

Before you order

- Sheer bands do not provide constant privacy in all lighting conditions.
- The operating chain requires the correct safety installation.
