DREAM CONTROLS & HUBS

Dream 15 Channel Remote

Product reference: 191679

A handheld 15-channel control for compatible Dream motors, supplied with a magnetic wall holder.

- 15-channel handheld control
- Magnetic wall holder included
- CR2450 battery included

Key specifications

Product reference	191679
Channels	15
Battery	CR2450, included
Holder	Magnetic wall holder
Motor family	Compatible Dream bi-directional and older uni-directional motors

Options to discuss

- Individual or grouped motor arrangement subject to setup
- Additional remote for a second control position
- Assessed hub control alongside the local remote

Before you order

- Channel configuration and motor compatibility are confirmed during specification.
- A compatible motor does not make this remote interchangeable with other radio brands.
