Specification	Detail
Fabric suitability for moist conditions	No

Options to discuss

• Choose a colour/reference from the material options below.

• Request the material as part of a complete blind or discuss a compatible replacement/supply-only requirement.

Before you order

• Fabric dimensions and performance must be checked with the selected blind system; material width is not the maximum finished-blind width.

Colour choices

Chalk, Cream, Slate

Colour images are a guide. Ask about physical samples and confirm the selected reference, width and format before ordering.
