CURTAIN & ROMAN FABRICS

Contract Fire-retardant Voiles

Product reference: Contract Fire-retardant Voiles

A group of contract voile qualities with plain, linen-look, muslin, organza and slub options.

- Select the required material quality
- Named colours and product references for a precise enquiry

Options to discuss

- Plain, linen-look, muslin, organza, heavy-linen and slub voile qualities.
- Leaded hems are listed for several qualities, with selected plain unleaded options.
- Colours vary by quality and include White, Winter White, Champagne, Cream and grey tones.
- Confirm the exact nominal width and current fire-test evidence using the chosen product reference.

Before you order

- The exact width and technical details are confirmed against the selected item code before order.
