CHILD SAFE PRODUCT

senses®

Combining the most desirable aesthetic features with sleek and innovative design

Senses is a contemporary, stylish system designed to beautifully complement any traditional or modern interior, making it the superior system choice for any window covering.

Both system options below can be paired with our co-ordinating bottomrail and endcaps to personalise your blind.

Universal Fascia

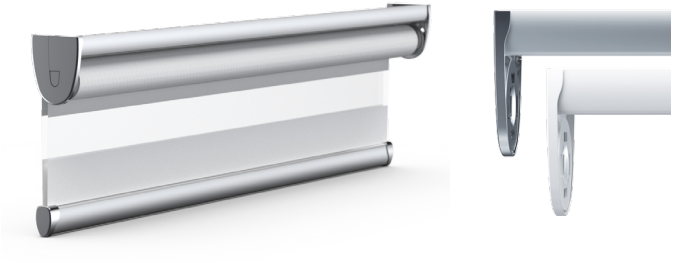

Our full cassette option has a striking metallic fascia to cover the fabric roll for a stylish finish.
Available in White, Cream, Silver, Anthracite and Black.

Complete your look with our contemporary endcaps, available in:
White, Cream, Chrome, Anthracite and Black Chrome.

Mounting profile

A 'half-cassette' style is in keeping with the classic Senses aesthetic without the full fascia finish.
Available in White and Silver,

Choose your control option:

Chain operated

Raise and lower your blind with a chain control option. A wide selection of corresponding child safety components are also available.

POWERSHADE

For ultimate luxury and convenience, select the motorised control option where you can use a remote to control your blind.
A quiet and smooth operation, the motor and rechargeable battery are both discreetly contained within the blind to maintain the stylish appearance.
Powershade is entirely child safe by design.
