Patterns, Blackouts & Sheers

Feeling nostalgic?

Here are our four exclusive patterns that take inspiration from the Seventies & Eighties.

The colour palette tunes in with a modern twist, led by earthy warm and cool tones combined with funky patterns.

Recycled Fabrics

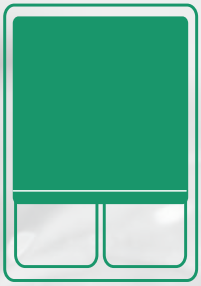

Our recycled fabrics have been developed using recycled yarn that has been derived from post-consumer plastic PET bottles.

60% of the roller fabrics in this collection are made from 50% or more recycled polyester content.

Here's how bottles are turned....

into blinds...

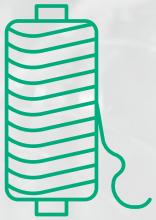

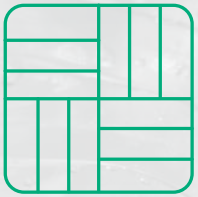

PET Polyester bottles are sorted.

The bottles are ground down.

Plastic granules are made into yarn.

This yarn is then woven into fabric.

Why have we chosen PET?

~ Repurposes waste
~ Reduces energy and water consumption
~ Reduces carbon footprint
~ PET yarn is versatile, giving a high value product

Less water

Less energy

Fewer emissions

Look out for the recycled logo across our fabrics. All of these fabrics are made from recycled polyester yarn.

senses®

CHILD SAFE PRODUCT

senses®

Combining the most desirable aesthetic features with sleek and innovative design

Senses is a contemporary, stylish system designed to beautifully complement any traditional or modern interior, making it the superior system choice for any window covering.

Both system options below can be paired with our co-ordinating bottomrail and endcaps to personalise your blind.

Universal Fascia

Our full cassette option has a striking metallic fascia to cover the fabric roll for a stylish finish.
Available in White, Cream, Silver, Anthracite and Black.

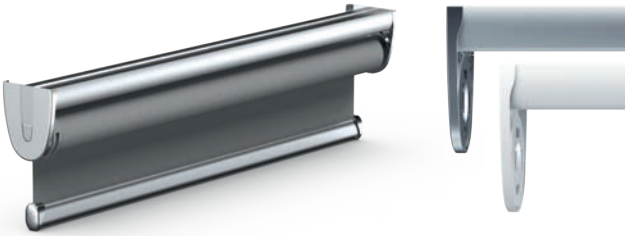

Complete your look with our contemporary endcaps, available in:
White, Cream, Chrome, Anthracite and Black Chrome.

Mounting profile

A 'half-cassette' style is in keeping with the classic Senses aesthetic without the full fascia finish.
Available in White and Silver,

Choose your control option:

Chain operated

Raise and lower your blind with a chain control option. A wide selection of corresponding child safety components are also available.

POWERSHADE

For ultimate luxury and convenience, select the motorised control option where you can use a remote to control your blind.
A quiet and smooth operation, the motor and rechargeable battery are both discreetly contained within the blind to maintain the stylish appearance.
Powershade is entirely child safe by design.

POWERSHADE

CHILD SAFE PRODUCT

POWERSHADE

motorised blind systems

Powershade Roller is the ultimate Roller blind for your home.

You can choose to motorise any of our Roller fabrics. Operate your blinds at the touch of a button with a quiet and smooth operation to combine style and control.

- Combines style and control with no hanging cords or chains, offering a child safe option giving you peace of mind
- Choose from mains or rechargeable battery to suit your home/needs
- Control blinds individually or as a group with a single remote
- Soft start/stop feature
- Constant rise and close speed
- No hanging cables from battery pack
- Type-C charger and 5m cable
- Single, 6 and 16 channel remotes available
- Wall switch available with 6 channels

Powershade Smart Controller

Powershade Smart Controller allows you to control your motorised blinds from your smartphone device.

Available for IOS and Android, the product is also compatible with Amazon Alexa, Google Home & Siri Shortcuts to integrate into your home.

- Smart controller connects via WiFi
- Control individual blinds, entire rooms or even your entire house
- Program blinds to open or close at designated times, providing added security when away from home
- View all rooms and blinds on your smartphone device
- Control your blinds at home when out and about
