CELLOTEX CELLECT FOR PRO

CelloTex Cellect Light-filtering

Request White, Cream, Beige or Grey Cellect light-filtering samples for Hexacell Sliderscreen PRO. Confirm the fabric and frame with AdamsBlinds.

- Specified for the PRO system family
- Named sample choices without substituting another range
- Single- and dual-fabric requirements assessed with the opening

Key specifications

Material effect	Light-filtering cellular
Listed colours	White, Cream, Beige and Grey
PRO fabric format	25 mm cellular format where cellular cloth is specified; mesh is a separate material

Compatible blind models

Hexacell Sliderscreen PRO

The quoted model, size and configuration determine final compatibility.

Options to discuss

- Shortlist the named samples and send your enquiry. We will confirm sample availability and any delivery charge before arranging despatch.

Before you order

- Screen settings and room lighting change the appearance of a colour. Check a physical sample before the final order.

The named colours can be requested here. Exact colour and texture should be checked on the physical sample.

CelloTex Cellect Light-filtering

Sample choices

Keep the range, colour name and reference together in your enquiry. Screen and print colours are a guide; use a physical sample for the final decision.

Sample appearance confirmed on enquiry
White
Cellect light filtering
Physical colour sample requested

Sample appearance confirmed on enquiry
Cream
Cellect light filtering
Physical colour sample requested

Sample appearance confirmed on enquiry
Beige
Cellect light filtering
Physical colour sample requested

Sample appearance confirmed on enquiry
Grey
Cellect light filtering
Physical colour sample requested

Sample availability and any delivery charge are confirmed by AdamsBlinds before despatch. A matching colour name in another range does not confirm compatibility.
