Native cellular size	20 mm

Compatible blind models

Hexacell Sliderscreen LITE

The quoted model, size and configuration determine final compatibility.

Options to discuss

- Shortlist the named samples and send your enquiry. We will confirm sample availability and any delivery charge before arranging despatch.

Before you order

- Screen settings and room lighting change the appearance of a colour. Check a physical sample before the final order.

Sliderscreen LITE Light-filtering Fabric

Sample choices

Keep the range, colour name and reference together in your enquiry. Screen and print colours are a guide; use a physical sample for the final decision.

Cloud LF
LITE Light-filtering

Overcast Whisper LF
LITE Light-filtering

Slate Drift LF
LITE Light-filtering

Dusty Blue LF
LITE Light-filtering

Sample availability and any delivery charge are confirmed by AdamsBlinds before despatch. A matching colour name in another range does not confirm compatibility.
