Cellular fabric size	16 mm
Material options	Light filtering and blackout
Colour selection	Current named choices and sample availability confirmed on enquiry

Compatible blind models

Hexacell Sliderscreen Mini

The quoted model, size and configuration determine final compatibility.

Options to discuss

- Describe the required colour and light effect in your enquiry. We will confirm the current Mini options, sample availability and any delivery charge.

Before you order

- Screen settings and room lighting change the appearance of a colour. Check a physical sample before the final order.

Mini colours and sample availability are confirmed with your enquiry. No unverified colour chart is displayed.
