## MIXED WOOD ORDER GUIDE

Create a Timberlux wood Venetian as individual as you.

MIX IT UP! The new Timberlux Collection is designed with you in mind, created to inspire and entice - individual blinds for the home, that are as unique as the people that live there.

Create the ultimate bespoke window dressing by following the below steps:

### 1. Select mixed wood finish

T1: Bottom 1/3 alternative colour, T2: Third 1/4 alternative colour, T3: Alternate slats varying colour, darker colour valance and bottom bar, T4: Valance and bottom bar alternate colour, T5: Wood Valance and bottom bar with aluminium slat, T6: Brushed aluminium valance.

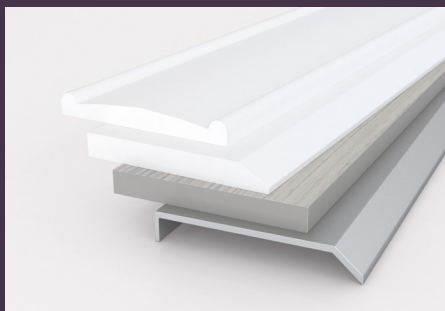

### 2. Select two wood colours (or aluminium slat colour)

### 3. Select tape (if desired)

### 4. Select valance profile (classic, contemporary or brushed aluminium) \* where applicable

### 5. Select tassel (brushed aluminium or wooden; choose from any available wood colour)

\*Contemporary valance available with Purist, Stains, Mode and Santa Fe 50mm.

Experience quality with all your senses
