Louvolite One Touch® Motorised Blinds

Transform your home with the ultimate in convenience and modern living. Louvolite One Touch® motorised blinds offer effortless control, whisper-quiet operation and seamless integration with your smart home.

The rechargeable Lithium motors are easy to install with no wiring and no disruption to your interiors. The hard wired, mains powered motors easily lift big, heavy blinds and never need charging.

THE BENEFITS OF MOTORISATION

Ultimate Convenience
With just the touch of a button, a simple voice command or a tap on your smartphone, you can effortlessly control your blinds for perfect light, privacy, and comfort.

Remote Control
Adjust your blinds instantly from anywhere in the room.

Voice Control
Hands-free operation is great for when you're busy, or equally, enjoying some downtime.

Louvolite App
Scheduling automatically provides routine, privacy and additional security for your home.

SMART ACTIVATION

effortless control

Enhance your home with the perfect balance of luxury, technology and practicality. With Louvolite One Touch® motorised blinds, effortless control is always within reach.

Smooth & Quiet Performance

Our advanced motor technology ensures whisper-quiet operation, perfect for creating a peaceful and comfortable home environment.

Simple, Wire-Free Installation

No need for complex wiring. Our rechargeable, battery-powered motors provide easy installation with no disruption to your decor.

Custom Scheduling for Your Lifestyle

Set timers for your blinds to open and close at specific times, adding convenience, privacy, and extra home security.

Reliable & Long-Lasting Performance

With a 5-year warranty, you can enjoy total peace of mind, knowing your motorised blinds are designed for durability and quality.

Make the most of your shading

On-the-go operation, set-and-forget schedules and voice control of your motorised shading are all possible with the Louvolite One Touch® Home Hub.

Voice Control

Using simple voice commands via Amazon Alexa, Google Assistant, or Siri, you can control your blinds hands free.

App Control

Control your blinds at anytime, anywhere with the app! It's user friendly and free to download for iOS and Android, just search the Louvolite App in the Apple App Store or Google Play Store.

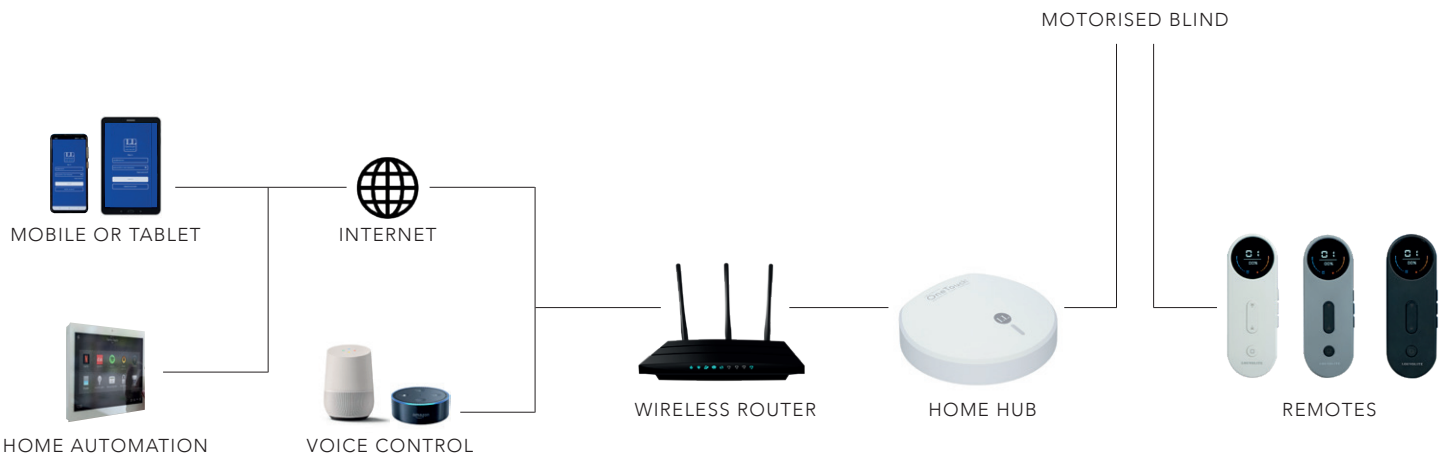

Scheduling (Timer)

Pre-set your blinds to open, close and position your blinds automatically at set times of the day or in time with the sunrise and sunset. Great for energy saving!

Personalised Experience

Create rooms and scenes to control your blinds how you want, when you want. With scenes you activate your blinds with specifically set commands, like "Movie time!".

Go green

Renewable Power

Green energy maintains the One Touch® Lithium motor power, reducing your environmental impact.

Single Crystal Silicone Wafer

Single Crystal Silicone technology increases conversion rate and is the material of choice for the manufacture of high-efficiency solar panels.

Continuous Panel

Continued flow of power to the motor, even if sections may be shaded or obstructed from direct sunlight.

Low Light Performance

Excellent performance even in reduced or limited light conditions.

Easy Installation

Quick and easy to install, use the screws and brackets provided to adhere to the inside of your window.
