7000W Cord Drawn

YewdaleVitesse® Cord Drawn Curtain Tracks

Section shown full size

7000W Cord Drawn

Features:

The YewdaleVitesse® 7000W cord drawn curtain track is a top-fix track as standard. Its slim white aluminium track, with a neat and unobtrusive design, is designed for use with light to medium-weight curtains. Self-lubricating polyethylene gliders are supplied at a quantity of 16 per linear metre.

Benefits:

As an exceptionally low profile track, this white aluminium track can be used for almost every lightweight screening application requiring cord drawn operation. With its 250mm centre pre-drilled nature, it requires no fixing brackets although top-fix click brackets are available and lends itself to arched requirements. This track boasts the smallest possible dimensions for a corded track and lends itself to being hidden away from view should such be required.

Options:

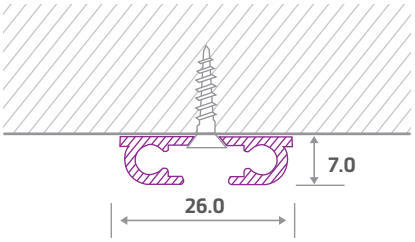

Can be arched. Available in any RAL colour of your choice.

Specification:

The YewdaleVitesse® 7000W cord drawn curtain track as manufactured by Yewdale, +44 (0)1268 570900. Ultra slim, top-fix aluminium track with white powder-coated finish and click brackets as applicable. Complete with end-pulleys, operating cord, and self-lubricating gliders at 16 per metre.

Curtain Hook Load Capacity - Each hook can support a load of up to 1 kg

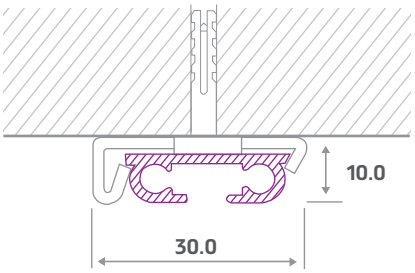

Top Fix:

5201W
glider

Face Fix:
