5400W Hand Drawn

YewdaleVitesse® Hand Drawn Curtain Tracks

Section shown full size

5400W Hand Drawn

Features:

The YewdaleVitesse® 5400W curtain track is hand drawn and of aluminium construction as standard. Its white aluminium profile has been developed to support lightweight curtains and net curtains. Gliders are supplied at a quantity of 16 per linear metre.

Benefits:

Featuring a neat, contemporary profile, this 5400W track is able to blend effortlessly into the simplest of surroundings yet still make a statement of its own right if required. This hand drawn track can be fixed with face-fix or top-fix brackets for a host of mounting requirements.

Options:

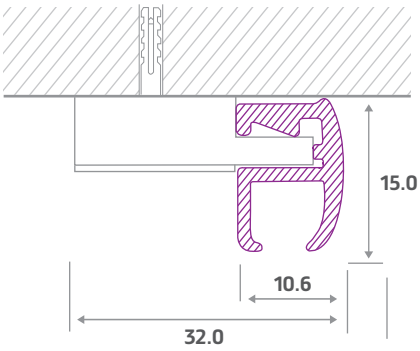

Available in any RAL colour of your choice.

Specification:

The YewdaleVitesse® 5400W hand drawn curtain track as manufactured by Yewdale, +44 (0)1268 570900. Aluminium track with white powder-coated finish, fixed with face/top-fix brackets as applicable. Complete with end-stops, and gliders at 16 per metre.

Curtain Hook Load Capacity - Each hook can support a load of up to 1 kg
