6800W Hand Drawn

YewdaleVitesse® Hand Drawn Curtain Tracks

Section shown full size

6800W Hand Drawn

Features:

The YewdaleVitesse® 6800W curtain track is hand operated as standard. Its white aluminium, double channel profile is designed to be used with very large / heavy stage curtains. Heavy duty roller runners at 12 per linear metre complete this heavy duty solution.

Benefits:

The exceptionally heavy duty aluminium construction of this 6800W track has proved ideal for stage curtains for auditoria and lecture theatres. Although it is usually fixed out of sight and secured in position by top-fix method, it is still a stylish modern profile with clean aesthetics. A very strong curtain track and complete with hassle-free heavy duty roller runners.

Options:

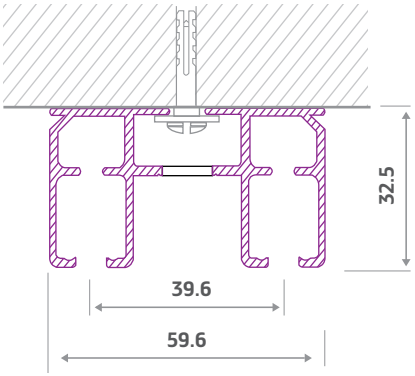

Available in any RAL colour of your choice.

Specification:

The YewdaleVitesse® 6800W hand drawn curtain track as manufactured by Yewdale, +44 (0)1268 570900. Heavy duty, double channel aluminium track with white powder-coated finish, fixed by top-fix application. Complete with end-stops, and hassle-free heavy duty roller runners at 12 per metre.

Curtain Hook Load Capacity - Each hook can support a load of up to 1 kg

Top Fix:

8502
roller runner
