YewdaleDefiant® Vision Panel Flap

VPF Vision Panel Flap

Features:

The YewdaleDefiant® vision panel flap comes with turn-button control as standard. White plastic turn-buttons to each corner secures the fabric privacy screen in place when in use. The fabric has welded hems on the top and bottom, and a central turn-button at the top for retaining when not in use.

Benefits:

The YewdaleDefiant® Vision Panel Flaps offer a discreet screen on doors/windows without the need of mechanisms - especially important where there are space restrictions. These are seen as infection control friendly as they can be easily removed and replaced for cleaning purposes. Light seepage is kept to a minimum due to the closeness of fabric to the glass.

Options:

Velcro strip bonded to top and bottom edges in place of turn-button and tag; Shaped panels.

Specification:

YewdaleDefiant® Vision Panel Flap from flame retardant fabric as manufactured by Yewdale, +44 (0)1268 570900. Flame retardant fabric from the YewdaleDefiant® fabric range with welded hems to top and bottom. Retained by turn-button tag control to each corner for effective screening.
