7800W Cord Drawn

YewdaleVitesse® Cord Drawn Curtain Tracks

Section shown full size

7800W Cord Drawn

Features:

The YewdaleVitesse® 7800W cord drawn curtain track is a direct top-fix track as standard. Its heavy duty, double channel white aluminium track is designed for use with both large and heavy curtains, across large spans. Heavy duty roller runners are supplied at a quantity of 12 per linear metre.

Benefits:

This is the ultimate solution in the cord drawn track sector. Mounted directly through the track by top-fix method, this exceptionally heavy duty, double channelled white aluminium track has been developed to offer a hassle-free cord drawn solution to join large, heavy curtains across wide open spaces. Suitable for both commercial and domestic environments due to its modest profile, and operated by a positive pre-tensioned cord arrangement, we challenge you to find better system!

Options:

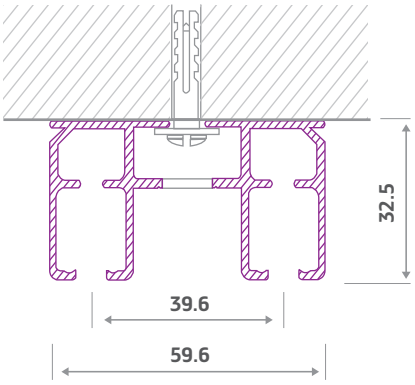

Available in any RAL colour of your choice.

Specification:

The YewdaleVitesse® 7800W cord drawn curtain track as manufactured by Yewdale, +44 (0)1268 570900. Heavy duty, double channelled aluminium track with white powder-coated finish for direct top-fix mounting application. Complete with end-pulleys, pre-tensioned operating cord, and heavy duty roller runners at 12 per metre.

Curtain Hook Load Capacity - Each hook can support a load of up to 1 kg
